Dear Bill,

Have to go down there next week. Plan arrive Tuesday a.m., leave Monday noon plane.

I'll want to get copies Bringuier's last nonsense, for you didn't send it.

And I wanted you to know, for they will, and they may try something else.

Understand two TV shows I taped last time will be on 26 the coming two Saturday nights.

Sincerely,

Harold Weisberg

P.S. Do you think what they are now up to is sufficiently clear as harassment for me to ask ACLU for help?
